

Preparing for an Event

.....

I was very busy for
the last few months.

Because I worked very hard
to publish my book.

There was no more work to do
but,---

I went shopping with Alex several times
to buy the items to put in the boxes.

... I had one more very important task.
Preparing for an event.

Even before
we started making the book,...

... the editor and I were so excited about this event,

The event was that I send present boxes with lots of British things to Korean readers.

We've already finished
preparing the presents.

And we only needed to send them
to Korea.

How about if we get
one snack out of the
event presents and buy a
replacement tomorrow.

Shall we?

But one small problem was...

... that it was so easy
to be tempted by

... the delicious snacks in those presents.

A week later,

We, have to
go shopping again
Right?

Yeah, well,
we ate them up
pretty well.

Oh, well,
As It's already
done so,

May, come on...

Now we've sealed
all of the boxes that
